Witnesses are expected to keep confidential any document or information which they receive from their participation in such proceedings.
- 5.4 At any stage, the Head of the Integrity Unit may, in their absolute discretion, decide that information should be shared in order to ensure the proper effective discharge of the Integrity Unit and/or the Disciplinary and Appeals Tribunal's functions and/or to protect the integrity and reputation of World Athletics or Athletics.

If any such facts or circumstances arise thereafter, the member must provide an updated declaration to the parties.
- 5.7 Any objection to a member of a Disciplinary Panel or an Appeal Panel must be made to the chairperson of the Disciplinary and Appeals Tribunal without delay, and in any event within 7 days of:
- 5.7.1 receipt of the written declaration referred to in Rule 5.6, or
 - 5.7.2 learning by any other means of the facts or circumstances giving rise to the objection.
- Failure to do so will constitute a waiver of that objection. The chairperson (or deputy chairperson as applicable) will rule on any objection made, and such ruling will be final and not subject to any appeal.
- 5.8 If a member of a Disciplinary Panel or an Appeal Panel is, for whatever reason, unable, unwilling or unfit to hear or continue to hear, and decide a Proceeding, the chairperson

of the Disciplinary and Appeals Tribunal (or deputy chairperson as applicable) may, in their absolute discretion:

- 5.8.1 appoint another member of the Disciplinary and Appeals Tribunal to replace that member in that Proceeding, or,
 - 5.8.2 authorise the remaining member(s) of the Disciplinary Panel or the Appeal Panel (as the case may be) to hear and decide the Proceeding alone, in which case, if the decision cannot be reached unanimously or by majority, then the chairperson of the Panel (or a substitute chairperson named by the chairperson of the Disciplinary and Appeals Tribunal) shall have a casting vote.
- 5.9 The seat of the Disciplinary and Appeals Tribunal and of all Proceedings and Preliminary Proceedings before it is Monaco. However the chairperson of the Disciplinary and Appeals Tribunal may decide to hold hearings elsewhere should the circumstances so warrant.

- 6.1 Provisional Suspensions, hearing results or other final decisions of the Disciplinary and Appeals Tribunal will be applicable worldwide and will be recognised and respected by World Athletics, its Members and Area Associations automatically upon receipt of notice of the same, without the need for any further formality.

7. Statute of Limitations

- 7.1 There is no statute of limitations to the commencement of Proceedings or Preliminary Proceedings except to the extent required under the law of Monaco.

8. Miscellaneous

- 8.1 Any notice or other communication required to be given by a party pursuant to these Rules must be given in writing and must be sent by registered post or transmitted by email. If sent by registered post, the notice or other communication will be deemed to have been given on the Business Day following the day it is sent. If transmitted by email before 5pm (Monaco time) on a Business Day, the notice or other communication will be deemed to have been given on that day. If transmitted by email on a non-Business Day, or at or after 5pm (Monaco time) on a Business Day, the notice or other communication will be deemed to have been given on the next Business Day.
- 8.2 A party's last-known residence, place of business or email will be a valid address for the purpose of any notice or other communication unless notification of a change to such address has been communicated to all parties and to the chairperson of the Disciplinary and Appeals Tribunal. Notice to a person who is a member of or affiliated to a Member Federation may be accomplished by delivery of the notice to the Member Federation.
- 8.3 Any period of time specified in these Rules will begin to run on the day following the day when a notice or other communication is given. Non-Business Days occurring during the period are included in calculating the running of that period, save that if the

period, so calculated, ends on a non-Business Day, then it will be deemed to end on the next Business Day.

- 8.4 Where a matter arises that is not otherwise provided for in these Rules, the chairperson of the Disciplinary and Appeals Tribunal (or the deputy chairperson) will resolve it as they see fit.
- 8.5 Any deviation from any provision of the Integrity Code of Conduct, these Rules or any of the Procedural Rules of the Code and/or any irregularity, omission, technicality or other defect in the procedures will not invalidate any finding, procedure or decision unless it is shown to render the proceedings unreliable or to have caused a miscarriage of justice.

PART II – NON-DOPING VIOLATIONS

This Part II shall only apply to Non-Doping matters before the Disciplinary Panel and not to Appeals which fall within Part III.

9. Jurisdiction of the Disciplinary Panel

9.1 The Disciplinary and Appeals Tribunal and Disciplinary Panel shall have jurisdiction to hear and decide any alleged Non-Doping Violations over which jurisdiction is conferred on it by the Integrity Code of Conduct and the Integrity Unit Rules and any Preliminary Proceeding under the Reporting, Investigation and Prosecution Rules – Non-Doping.

10. Proceedings before the Disciplinary Panel

10.1 On receipt of each Notice of Charge from the Integrity Unit for alleged Non-Doping Violations, the chairperson shall, (subject to Rule 5.5), appoint either one (1) or three (3) members of the Disciplinary and Appeals Tribunal to hear and decide the alleged violations set out in the Notice of Charge as a Disciplinary Panel. Subject always to consideration of the most efficient and expeditious despatch of its business, one of the members will ordinarily be the chairperson or the deputy chairperson of the Disciplinary and Appeals Tribunal.

11. Conduct of the Proceedings

11.1 The Disciplinary and Appeals Tribunal, and any Disciplinary Panel, will have all powers necessary for, and incidental to, the discharge of their responsibilities, including (without limitation) the power, whether on the application of a party or of its own motion:

11.1.1 to rule on its own jurisdiction;

11.1.2 to determine whether any hearing or any part thereof should be oral or in writing;

11.1.3 to appoint an independent expert to assist or advise it on specific issues, with the costs of such expert to be borne as directed by the Disciplinary and Appeals Tribunal;

11.1.4 to expedite or to adjourn, postpone or suspend its proceedings, upon such terms as it will determine;

11.1.5 to extend or abbreviate any time limit specified in any Rules or by the Disciplinary and Appeals Tribunal itself, save for any limitations period or appeal deadline;

11.1.6 to order any party to make any property, document or other thing in its possession or under its control available for inspection by the Disciplinary and Appeals Tribunal and/or any other party;

11.1.7 to allow one or more third parties to intervene or be joined in the proceedings, to make all appropriate procedural directions in relation to such intervention or joinder, and thereafter to make a single final decision or separate decisions in respect of all parties;

- 11.1.8 to order that certain preliminary and/or potentially dispositive questions (e.g. as to jurisdiction, or as to whether a condition precedent has been met) be heard and determined in advance of any other issues in the matter;
- 11.1.9 to award interim relief or other conservatory measures on a provisional basis and subject to final determination;
- 11.1.10 to determine upon the manner in which it shall deliberate with a view to making any determination in or connected with the proceeding;
- 11.1.11 to make any other procedural direction or take any other procedural steps which the Disciplinary and Appeals Tribunal considers to be appropriate in pursuit of the efficient and proportionate management of any Proceeding or matter pending before it; and
- 11.1.12 to impose costs orders.

In making any of the above orders or directions, the Disciplinary and Appeals Tribunal shall be guided by considerations of fairness.

- 11.2 Any procedural rulings may be made by the chairperson or deputy chairperson of the Disciplinary and Appeals Tribunal or the chairperson of a Disciplinary Panel alone.
- 11.3 The chairperson of the Disciplinary and Appeals Tribunal (or the deputy chairperson) has the power, whether on the application of a party or of their own motion:
 - 11.3.1 to order consolidation before the Disciplinary Panel of two or more separate Proceedings, and/or to order that concurrent hearings be held in relation to such Proceedings; and,
 - 11.3.2 to exercise any of the powers of the Disciplinary and Appeals Tribunal in relation to urgent matters that require a decision before a Disciplinary Panel has been convened.
- 11.4 As soon as practicable after a Disciplinary Panel has been convened in a particular matter, the chair of the Disciplinary Panel will issue directions to the parties in relation to the procedure and timetable to be followed in the proceedings. Where they deem it appropriate, they may hear from the parties (in person, by telephone or video conference, or otherwise) prior to issuing such directions. In particular, the directions will:
 - 11.4.1 fix the date, time and venue of the hearing;
 - 11.4.2 establish a schedule for the exchange of one or more rounds of written submissions and evidence in advance of the hearing, so that each party understands in advance of the hearing the case that it has to meet; and,
 - 11.4.3 make any appropriate order in relation to the disclosure of relevant documents and/or other materials in the possession or control of any party.

12. Hearings

- 12.1 Unless a Disciplinary Panel orders otherwise for good cause shown by any party, all hearings will be conducted on a private and confidential basis, attended only by the parties to the proceedings and their representatives, witnesses and experts, as well as

the representatives of any third party/parties permitted under the applicable rules to attend in order to participate in and/or to observe the Proceedings.

- 12.2 Unless the Disciplinary Panel orders otherwise for good cause shown by any party, the hearing will be conducted in English. Any party wishing to rely on documents written in another language must provide certified English translations at their own cost. Any party who wishes (or whose witness wishes) to give oral evidence in another language must bring an independent interpreter to translate that evidence into English, at their own cost, unless the Disciplinary and Appeals Tribunal orders otherwise.
- 12.3 The procedure to be followed at the hearing will be at the discretion of the chair of the Disciplinary Panel, provided always that the hearing must be conducted in a fair manner, with a reasonable opportunity provided for each party to present evidence (including the right to call and to question witnesses/experts), and to present their case to the Disciplinary Panel. The Disciplinary Panel will have discretion as to whether to receive evidence from witnesses/experts in person, by telephone, by video conference, or in writing, and may question a witness/expert and control the questioning of a witness/expert by a party.
- 12.4 No formal rules as to admissibility of evidence will apply. Facts may be established by any reliable means.
- 12.5 A Disciplinary Panel may treat facts established by a decision of a court or tribunal of competent jurisdiction that is not the subject of a pending appeal as binding, where it considers it appropriate to do so.
- 12.6 Unless the Disciplinary Panel orders that parties may make submissions in writing only, all parties should attend hearings in person, along with any representative(s). The non-attendance of any party and/or their representative(s) at the hearing, after due notice has been given, will not prevent the Disciplinary Panel from proceeding with the hearing in their absence, whether or not written submissions have been made by or on behalf of that party.
- 12.7 Where a party:
- 12.7.1 refuses or fails to respond to a Demand or other questions put to them as part of an investigation;
- 12.7.2 refuses or fails to appear at a hearing to answer questions; or,
- 12.7.3 appears but refuses or fails to answer questions;
- then the Disciplinary Panel may infer that the answer(s) would be adverse to that party.
- 12.8 Once the parties have completed their respective submissions, whether orally or in writing, the Disciplinary Panel will deliberate in private. The Disciplinary Panel will make its decision unanimously or by majority. No member of the Disciplinary Panel may abstain.

13. Burden and Standard of Proof

- 13.1 The Integrity Unit will have the burden of establishing that a Non-Doping Violation has been committed. The standard of proof will be whether the Integrity Unit has established the commission of the alleged violation to the comfortable satisfaction of

the Disciplinary Panel. This standard of proof in all cases is greater than a mere balance of probability but less than proof beyond a reasonable doubt.

- 13.2 Where the Integrity Code of Conduct places the burden of proof upon the Applicable Person alleged to have committed a violation to rebut a presumption or establish specified facts or circumstances, the standard of proof will be by a balance of probability.

14. Consequences, Sanctions and Costs

- 14.1 Where it is decided by a Disciplinary Panel that a Non-Doping Violation has been committed, subject to Rule 14.3, below, the Disciplinary Panel will impose such consequences and sanction(s) as it deems appropriate including, without limitation, any one or more of the following (any of which may, where appropriate, be suspended):

14.1.1 a caution, reprimand and/or warning as to future conduct;

14.1.2 a fine of any amount (which, unless otherwise specified, will be payable within 30 days);

14.1.3 a compensation payment;

14.1.4 reparation to any victim or victims of the violation;

14.1.5 community service within Athletics;

14.1.6 suspension or removal from office;

14.1.7 removal of any award or other honour bestowed by World Athletics;

14.1.8 disqualification of results, with all resulting consequences, including forfeiture of any related medals, titles, points and/or prizes;

14.1.9 disqualification/expulsion from competitions or events; and,

14.1.10a specified period of ineligibility, or life ban, from participating in any capacity in any aspect of Athletics and/or in any activities authorised, organised, controlled, recognised, sanctioned and/or supported in any way by World Athletics, Area Association or any Member Federation (other than authorised education or rehabilitation programs).

- 14.2 In order to determine the appropriate sanction(s) to be imposed in each case, the Disciplinary Panel must first determine the relative seriousness of the violation, including identifying all relevant factors that it deems to:

14.2.1 aggravate the nature of the violation, including (without limitation):

- a. a lack of remorse on the part of the Applicable Person;
- b. whether the Applicable Person has previously been found guilty of any similar violation under the Integrity Code of Conduct or any predecessor codes of ethics;
- c. where the violation substantially damaged (or had the potential to substantially damage) the commercial value and/or public interest in the relevant International Competition and/or the sport of Athletics;

- d. where the violation affected (or had the potential to affect) the result of the relevant competition or event;
- e. where the welfare of a person has been endangered as a result of the violation;
- f. where the violation involved more than one person or entity; and
- g. where the Applicable Person failed to cooperate with any investigation or requests for information from the Integrity Unit.

14.2.2 mitigate the nature of the violation, including (without limitation):

- a. a timely admission of a violation by the Applicable Person;
- b. the Applicable Person's clean disciplinary record;
- c. the youth and/or inexperience of the Applicable Person;
- d. where the violation did not substantially damage (or have the potential to substantially damage) the commercial value and/or public interest in the relevant International Competition and/or the sport of Athletics;
- e. where the violation did not affect (or have the potential to affect) the course or result of the relevant competition or event;
- f. where the Applicable Person has cooperated with the Integrity Unit and any investigation or requests for information;
- g. where the person or entity has provided Substantial Assistance to the Integrity Unit, a criminal authority or a professional disciplinary body that results in the Integrity Unit discovering or bringing forward a Doping Violation or Non-Doping Violation by another person or entity, or that results in a criminal authority or a professional disciplinary body discovering or bringing forward a criminal offence or the breach of professional rules by another person or entity;
- h. where the Applicable Person has displayed remorse; and
- i. where the Applicable Person has already suffered penalties under other laws and/or regulations for the same offence.

14.3 Having considered the factors in Rule 14.2, the Disciplinary Panel will then determine the appropriate consequences and sanction(s).

14.4 Any period of ineligibility will commence on the date the decision of the Disciplinary Panel is published and will end on the date stated in the decision. The Disciplinary Panel may at its sole discretion reduce the period of ineligibility imposed by any period of provisional suspension already served prior to the decision being reached. Any Applicable Person subject to a period of ineligibility will remain subject to the Integrity Code of Conduct during that period. If such Applicable Person commits a violation of the Integrity Code of Conduct during a period of ineligibility, that will be treated as a separate violation under the Integrity Code of Conduct.

- 14.5 The Disciplinary and Appeals Tribunal will have discretion to order any party subject to the Proceedings to pay some or all of the costs of the proceedings, including:

14.5.1 the costs of holding the hearing(s);

14.5.2 the legal/travel/accommodation costs and/or fees or charges of the members of the Disciplinary and Appeals Tribunal; and/or

14.5.3 the legal/travel/accommodation costs of any party subject to, or witness involved in, the Proceedings.

No costs order will be considered a basis for reducing the sanction(s) that would otherwise be applicable.

- 14.6 The Disciplinary Panel will also have discretion to order some or all of the costs of the proceedings to be paid by some other person(s) or entity/ies that is considered to have acted frivolously and/or in bad faith in the matter, provided that such other person(s) or entity/ies will first be given an opportunity to make submissions (which may be limited to written submissions) as to why such an order should not be made.

- 14.7 Once any period of ineligibility imposed by the Disciplinary Panel has expired, the Applicable Person will automatically become re-eligible provided they have first:

14.7.1 completed any official integrity education session as may be deemed appropriate by the Integrity Unit to the reasonable satisfaction of the Integrity Unit;

14.7.2 if a World Athletics Official, is Eligible in accordance with the Constitution and the Vetting Rules;

14.7.3 paid in full any fine, amounts forfeited and/or award of costs made against them (although the Integrity Unit will consider any request, on the grounds of financial hardship, to make such payments over a prolonged period of time by way of an instalment plan); and

14.7.4 agreed to be subject to any reasonable and proportionate monitoring of their future activities in connection with Athletics as the Integrity Unit may consider necessary given the nature and scope of the violation(s) committed.

15. Decisions

- 15.1 The Disciplinary Panel will announce its decision on the charges to the parties in a written, reasoned decision, dated and signed by at least the Disciplinary Panel chair, as soon as reasonably practicable and ordinarily no later than 30 days after the date of the oral hearing or the conclusion of the hearing where conducted in writing only. A copy of the decision will also be sent to the relevant Member Federation(s) and, Area Association (if applicable) and any other party that has a right of appeal against the decision (and any such party may, within 15 days of receipt, request a copy of the full case file pertaining to the decision). The Disciplinary Panel may, if it considers it appropriate, announce its decision in advance of the reasons for it.

- 15.2 If the decision is that a Non-Doping Violation has been committed:

15.2.1 the decision will be Publicly Disclosed in full (after giving the parties prior notice of the decision), and in any event no later than 20 days after its issue; and

15.2.2 the Integrity Unit may also publish such other parts of the proceedings before the Disciplinary Panel as it thinks fit.

Public Disclosure will not, however, be required where the person found to have committed a violation is a Minor. Any optional Public Disclosure in a case involving a Minor will be proportionate to the facts and circumstances of the case.

- 15.3 If the person or entity is exonerated of all charges, then the decision may only be Publicly Disclosed with the consent of the person or entity who is the subject of the decision, however the Disciplinary Panel may Publicly Disclose the fact that the charge has been dismissed.
- 15.4 Decisions of Disciplinary Panels will be final and binding on all parties, and may not be challenged or appealed other than strictly as set out in Rule 16 of these Rules.
