

IAAF Registered Testing Pool

See below the Registered Testing Pool of athletes who are subject to out-of-competition testing by the IAAF. All athletes in this list are required to comply with the whereabouts requirements set out in IAAF Anti-Doping Rules and Regulations. This includes providing quarterly whereabouts filings and being available for no-advance notice testing during the designated one-hour testing window. The IAAF Registered Testing Pool is reviewed and updated on a regular basis.

Please note that while the IAAF shall focus its out-of-competition testing on the athletes included in the Registered Testing Pool, it may, at its discretion, test any athlete at any time.
