### 1.3 Information about Oregon and Eugene

Eugene is the second-largest city in the state of Oregon, situated at an elevation of 130 meters in the Willamette Valley in west-central Oregon. It has a population of 156,000, with a metro area total of 356,000. The median age of Eugene residents is 33 years. Sixteen ethnic groups are represented within the city. Hispanics (4.96%) make up the largest ethnic minority population. Major colleges in the area include the University of Oregon, Lane Community College, and Northwest Christian University. The University of Oregon has a student population of approximately 20,000.

Eugene is located in one of the most scenic geographic areas in the United States. The rugged Oregon Coast is just 64 kilometres from Eugene to the west, the Cascade mountain range is 75 minutes to the east, spectacular Crater Lake is two hours away to the south, and the city of Portland is 161 kilometres to the north. Anyone with a taste for outdoor adventures from white water rafting to fishing, cycling and hiking, will find it in the Eugene area.

Come enjoy the evening and all athletes will receive a free dessert.

## **2. TRAVEL TO EUGENE**

### **2.1 Official Airports and Arrival Information**

There are two official airports to which you can arrive in Oregon.

- Eugene Airport (EUG) is located in Eugene, OR 19 kilometres from the University of Oregon campus. The Eugene Airport only accepts domestic arrivals, so traveling into Eugene will require a transfer connection in another US city.
- Portland International Airport (PDX) is located in Portland, OR. It has daily direct flights from Europe and Asia. It is an approximately 2 hr. drive and 200 kilometres to Eugene.

Transportation from either airport to the University of Oregon will be provided by the LOC. Teams arriving prior to 18 July must make arrangements with the LOC directly by emailing [teams@oregon14.com](mailto:teams@oregon14.com).

At each airport arriving delegations will be greeted by the airport Services Team, who will escort them to the airport Welcome Centre where those at the information and transportation desks will help facilitate the movement of teams to their appropriate accommodations.

In case of lost luggage, the LOC will make every effort to help locate it. The Team Leader is nevertheless expected to declare the missing luggage at the Lost and Found office. The Team Leader may be also requested to return to the airport to identify the luggage if it was not located immediately. Consequently, transportation of the lost luggage to the accommodation venue will be arranged by the airlines and the LOC.

To accommodate departures on 28 July, the local Organizing Committee will provide ground transportation to both airports.

### **2.2 Transport of Oversized Baggage**

Teams are responsible for the transportation of their equipment to the final destination airport. Equipment can travel with the team via airline, but please note that planes arriving into Eugene Airport (EUG) may not be able to accommodate oversized baggage (pole bags and javelins in particular).

In order to ensure that equipment arrives in due time, please confirm with the airlines on each segment of your travel that oversized baggage will be accepted, transported and properly transferred. The LOC will transport equipment from PDX to Eugene if notified by the Member Federation via email and prior to the arrival date that such transport is requested.

If you are interested in shipping equipment directly to Eugene you may ship to the following address, Items should arrive no earlier than 14 July and the LOC must be notified with tracking information so that they will be prepared to receive your shipment. Please include the name of your Federation and Team Leader on the first line of the address, as in the example below:

Oregon 2014 Local Organizing Committee – Federation Name, Team Leader Name  
c/o Lile Storage  
3330 Roosevelt Blvd  
Eugene, OR. 97401  
USA

For questions or information on third-party services that specialize in the shipping of pole vault poles contact the LOC at [teams@oregon14.com](mailto:teams@oregon14.com).

Special arrangements will be made for the vaulting poles, which will be collected by the LOC directly at the airport. A tag with the athlete's details will be placed on the pole for easier identification. On the way back they will go directly from the Stadium to the airport where they will be collected by the athlete or team official before flight check-in. Please see the LOC Airport desk for questions on collection.

### **2.3 Entry Visas**

Please refer to the list of IAAF Member Federations and respective visa category in Appendix.

If your country is listed under Category 1 and is eligible for the Visa Waiver Program, please visit the following website and complete the Electronic System for Travel Authorization: [www.esta.us](http://www.esta.us)

If your country is listed under Category 2 or Category 3, you need to obtain a visa to enter the United States. In order to obtain a visa, all applicants must go through the following process. Please begin this process as soon as possible.

1. Please email [visas@oregon14.com](mailto:visas@oregon14.com) with the names of all athletes and staff who will be traveling with your federation to Oregon. The LOC will need the following information for each individual:
  - a. Full Name
  - b. Date of Birth
  - c. Passport Country and Passport Number
2. After the LOC receives this information they will respond promptly with letters of invitations including names for all individuals.
3. Once you receive the letters including each individual from your delegation, you will have to fill out an online visa application and to schedule an appointment at the U.S. Embassy or Consulate closest to you. Please note that all team/delegation members will need to file individual applications, and that while all may be processed as a delegation, each member will need to appear for an interview at the U.S. Embassy/Consulate.

To find out where the closest U.S. consulate is to you, please visit the following website: [www.usembassy.gov](http://www.usembassy.gov)

If you have any questions, please contact the Oregon 2014 Visa Manager as follows:

Kip Leonard, Visa Manager  
Oregon 2014 Local Organizing Committee  
2350 Oakmont Way, Suite 201  
Eugene, OR 97401 USA

[visas@oregon14.com](mailto:visas@oregon14.com)

## **2.4 Medical Insurance**

We remind you that all IAAF Member Federations are responsible for subscribing to an insurance policy that covers illness and/or injury to any members of their delegation and/or team travelling to and from IAAF competitions and during the event itself. Furthermore, proof of such insurance is now required in most cases to obtain visas, e.g., in the Schengen area.

For more information please see IAAF Circular Letter M/06/14.

## **2.5 Global Ambassador Team Attachés**

The Local Organising Committee is very keen on providing the best assistance to all athletes and officials travelling to Eugene through a very comprehensive and innovative Attachés programme called “Global Ambassador Team Attaché”. Through a partnership formed with the University of Oregon School of International Affairs, every team traveling to Eugene will be assigned a university student who will act as a team attaché.

##### **3.2.2 Athletes & Team Officials**

All athletes and team officials shall normally report directly to the Accreditation Centre to have their picture taken and receive their accreditation card. Athletes travelling without an official will be asked to complete the administration procedure just like the Team Leader.

#### **3.3 Quota and Financial Support**

##### **3.3.1 Quota**

According to an IAAF Council decision, the quota for the 2014 WJC in Eugene corresponds to the number of finalists (top 8) in the 2012 WJC in Barcelona (relay teams count for two athletes) with a maximum of 20. See chart in Appendix.

##### **3.3.2 Travel Support**

For athletes within the Quota, 100% of an economy class airline ticket from the Member Federation Headquarters to one of the official airports of the Championships will be paid by the IAAF. These tickets will be issued preferably by the IAAF, provided Member Federations send their Preliminary Entries and Final Entries by the respective deadlines. If a Member Federation prefers to purchase the airline tickets, the costs of such tickets must be submitted together with the Preliminary Entries and be approved by the IAAF beforehand. Only the approved travel costs

will be reimbursed.

Travel costs of athletes outside the Quota and Officials will not be covered by the IAAF or the LOC.

### **3.3.3 Accommodation Support**

For athletes within the Quota, the IAAF/LOC will offer free accommodation in twin rooms in B level accommodation during the official period (arrival, Sunday 20 July – departure, Monday 28 July), for a maximum of eight nights. Quota athletes requesting single rooms or A level accommodation will be charged a supplement (see costs below).

### **3.3.4 Reimbursements**

Reimbursements will be made by bank transfer after the competition. Should a Member Federation exceptionally wish to be refunded in cash or by cheque on site, the President or General Secretary of the Federation must send a written request to the IAAF by 7 July 2014, indicating the reasons for the request and the name of the person eventually authorised to collect the reimbursement and IAAF will advise if this is possible.

If an athlete for whom the IAAF/LOC have provided financial support is on site but does not compete, the IAAF/LOC have the right to reclaim the travel and accommodation support.

## **3.4 Arrivals outside the Accreditation Centre Opening Times**

Teams or individual athletes arriving prior to 18 July will be handled on a case by case basis. However, the LOC must be informed in advance at [teams@oregon14.com](mailto:teams@oregon14.com) to make the necessary arrangements.

For those Teams arriving after the closing of the Accreditation Centre, the Team Leader must proceed to the Accreditation Offices as soon as practical the next day to finalise the accreditation procedures.

## **3.5 Special Passes**

IAAF shall provide special passes as required for the following categories:

- TIC (only for collecting information from the pigeon hole) distributed during the accreditation procedure
- Field Event Coach (one per athlete) distributed at the TIC as soon as the Start Lists are available
- Combined Events Rest Room (one per athlete for coach or physiotherapist) distributed at the TIC as soon as the Start Lists are available

## **3.6 Accreditation Card**

The Accreditation Card will carry the holder's photo. It must be worn visibly at all times and must be presented upon request. It is personal and non-transferable. In case of loss or theft, please report it immediately to the Teams' Accreditation Centre or TIC at the Stadium. In order to obtain a new Accreditation Card, the Team Member must proceed to the Accreditation Centre, accompanied by his Team Leader or the higher official in the Delegation, carrying an appropriate identification document.

The Championships Information Desks (CIDs) will be situated adjacent to the Athlete Village Service Centres in the Global Scholars Hall and Living Learning Center (North Building). They shall be in charge of, but not limited to, the following:

- Display on the relevant Notice Board of official communications to the teams, including Start Lists, Results and Call Room reporting times.
- Distribution of Urgent Notices to the Delegations from the Technical Delegates and Competition Management.
- Distribution of information for issues relating to accommodation, meals, transport and the Championships in general.

They can be contacted as follows:

- 18 to 21 July                      Teams Accreditation Centre
- 22 to 27 July                      IAAF Competitions Office at Hayward Field – can be contacted through the TIC

### **5.4 Document Distribution**

As always, every effort will be made to reduce the amount of printed material distributed to the Teams through their pigeon holes at the TIC at the Stadium or at the CID at Global Scholars Hall. In practice this means that the distribution of competition related information at the TIC and CID will NOT be systematically made through printouts in the Team pigeonholes but will be displayed on the notice boards. It will still be possible to request occasional copies of specific event start lists and / or results (at the TIC).

Important notices of general interest (e.g. changes to the timetable) will also be displayed on the Posting Board while individual communications to specific teams will be posted through the pigeon holes.

A Final Results Book will be produced and distributed to all Teams and guests prior to departure.

## 6. COMPETITION AND TRAINING VENUES, EQUIPMENT AND IMPLEMENTS

### 6.1 Hayward Field Stadium

The Championships will take place in the Hayward Field Stadium in Eugene. Hayward Field is one of the best-known historic athletics stadiums in the United States. It was built in 1919 and used for athletics since 1921. It was fully renovated in 2004 and a new Beynon BSS-2000 synthetic track was laid down in 2010.

It holds around 10,000 seats and the team tribunes are located in the east Tribune. The layout of the facilities is unique but it will offer an exceptional setting for the IAAF World Junior Championships.

### 6.2 Warm-up Area

Suitable facilities for athletes to warm up are available in the spaces and fields immediately surrounding Hayward Field and, in particular:

- On Field 3 (main warm-up area):
  - A 400m 3-lane synthetic track for the running events and hurdles
  - An elevated Long / Triple Jump runway and landing pit
  - An elevated High Jump apron and landing pit
- A temporary circle and landing area for Shot Put in the Hammer Field

For the following field events there will be no specific warm-up facility but athletes will be allowed to enter the competition site earlier:

- Pole Vault
- Discus Throw
- Hammer Throw
- Javelin Throw

**Note: on competition days access to the warm-up facilities on Field 3 will only be permitted to those athletes competing on the day.**

### 6.3 Combined Events Rest Area

The rest area for the Combined Events will be situated under the West Tribune, on the ground floor at track level, and will be accessible by team officials and/or physiotherapists with the appropriate pass.

### 6.4 Training

#### 6.4.1 General

A dedicated training venue comprising a full 400m track and separate area for long throws is available at Lane Community College (LCC) which is situated 20 minutes away from the Athletes' Village by bus. The venue also includes a 1.25-mile long wood-chip path that winds around the athletic facilities and ponds on campus, as well as state-of-the art weight training and indoor fitness facilities.

Until 18 July limited training will be possible at Hayward Field. However, starting on 19 July, LCC will become the only official training venue. All training for the Hammer Throw will take place only at Hayward Field and the training schedule will be provided to the Team Leader at the Team

Accreditation Centre upon arrival. Training for the other long throws at LCC will be organised according to a dedicated schedule which will also be distributed on site.

LOC personnel will be available at the training venues to assist. Athletes are advised to follow the instructions given by the personnel and to pay particular attention to safety rules during the training sessions. Further information regarding the training area will be available from the Championships Information Desk.

Implements, equipment (hurdles, starting blocks) and relay batons will be available to athletes and coaches at the official training venue. These can be obtained from the equipment store and athletes/coaches using the equipment will be asked to leave their accreditation card with the LOC personnel in charge.

## 6.5 Equipment and Implements

### 6.5.1 Vaulting Poles

## **7. ENTRIES AND FINAL CONFIRMATIONS**

### **7.1 Entry Standards and Rules**

The entry standards and conditions for the validity of the performances were approved by the IAAF Council in August 2013 (see Appendix). The Entry Rules are summarized below.

#### **7.1.1 Age Categories**

Junior Athletes	Athletes aged 18 or 19 years on 31 December 2014 (born in 1995 or 1996), may compete in any event.
Youth Athletes	Athletes aged 16 or 17 years on 31 December 2014 (born in 1997 or 1998), may compete in any event. However, the maximum number of events in which a Youth athlete can compete is two individual events plus one of the relays. If the two individual events are Track Events, only one of these may be longer than 200m.
Athletes Younger than 16	No athlete younger than 16 years of age on 31 December 2014 (born in 1999 or later) may be entered.

Team leaders must present athletes' passports upon arrival, or other official documents indicating the year of birth, to confirm ages in order for them to be photocopied.

#### **7.1.2 Qualification Period**

In accordance with the Technical Regulations, the qualification period runs from 1 October 2013 to 14 July 2014. In an attempt to help Member Federations, the deadline for submitting the Final Entries remains at three Mondays before the start of the Championships (as established by the Technical Regulations), i.e. 7 July 2014, but there will be an extended qualification period of one week.

This means that Member Federations must submit the athletes' names, including reserves, and all other relevant information (names of officials, travel details and accommodation needs) by 7 July 2014 but would be allowed to make any changes to the composition of their team up to one week later, 14 July 2014. Please note that this is NOT an obligation but an option which some Member Federations may wish to take advantage of.

#### **7.1.3 Entry Rules**

- A maximum of two athletes from any one Member can compete in each event with the exception of the Relays. Three athletes can initially be entered per event, provided each has achieved the Entry Standard but only two will be permitted to compete.
- Members who have no male and/or female qualified athletes whom they wish to enter in any Championships event, may enter one unqualified male athlete OR one unqualified female athlete in one event of the Championships (except the Field Events [see below], Combined Events, 10,000m, 3000m Steeplechase and 5000m Women).
- Members who have no male and/or no female qualified athlete but whose best athlete excels in a Field Event, may submit to the IAAF by the stipulated deadline the name of their athlete plus performance they would like to enter in the Field Event. The Technical Delegates will decide whether or not to accept such entry and, to do so, may seek the opinion of the relevant Area Association.
- Entries for unqualified athletes must be submitted by 16 June 2014. If another athlete then

achieves the entry standard before the end of the qualification period, it will be possible to change the entry accordingly.

- There are no entry standards for the Relays so every Member may enter one team for each relay race, composed by a maximum of six athletes. Any four athletes among those entered for the competition, whether for the relay or for any other event, may then be used in the composition of the team for the first round.
- If USA, as the host country of the IAAF World Junior Championships does not have a qualified athlete in an event, it may enter one athlete in this event regardless of any Entry Standard.

## 7.2 Final Entries

The Final Entries must be submitted online using the IAAF on-line Event Entry System (EES), by 7 July 2014 midnight, Monaco time (see note above). Final Entries may be submitted starting 2 June 2014.

## 7.3 Final Confirmations

### 7.3.1 General

Teams will receive the Final Confirmation Forms upon arrival in Eugene and Team Leaders, or their representatives, must confirm the names of those athletes already entered who will actually take part in the competition.

For events held on 22 July, Final Confirmation of Entries must be made before 12:00 (midday) 21 July and, for all subsequent days, before 9:00 am on the day before the event. It will also be possible for Teams to confirm their athletes upon arrival during the accreditation procedure at the Accreditation Centre.

### 7.3.2 Relays

The Relay Declaration Forms will be distributed at the TIC. The final composition of the relay teams and the order of running must be declared at the TIC according to the following schedule (no later than one hour before the published 1<sup>st</sup> Call Time for the event – IAAF Rule 170.18).

Event	Round 1	Final
4x100m Men	25 July at 17:00	26 July at 15:55
4x400m Men	26 July at 13:55	27 July at 15:20
4x100m Women	25 July at 16:25	26 July at 15:45
4x400m Women	26 July at 13:25	27 July at 14:55

Once the team has taken part in the event, only two additional athletes may take part in the Final. Substitutes may only be taken from the list of entered athletes, whether for the relay or for any other event.

### 7.3.3 Failure to participate

Any athlete who, after the final confirmation has been given, or after qualifying during a qualifying round or a heat for any event, fails to participate in the event without giving a valid reason (e.g. a medical certificate provided by and based on an examination of the athlete by the Medical Delegate), shall be excluded from participation in all further events in the competition,

including relays (see IAAF Rule 142.4).

#### **7.4 Withdrawals**

Withdrawals after final confirmation have to be submitted, on the official Withdrawal Form, to the TIC. The reason for the withdrawal has to be specified in detail and supported by appropriate medical evidence if applicable (see above). If the athlete intends to participate in other events in which he was entered (including the Relays) the withdrawal request has to be approved by the Technical Delegates.

#### **7.5 Athlete Acknowledgement and Agreement**

As announced in Circular M/24/09 dated 29 July 2009, each athlete competing in an IAAF World Athletics Series Competition must have an appropriately filled in and signed copy of the Athlete Acknowledgement and Agreement on file at the IAAF. All athletes competing in the IAAF World Junior Championships must sign and submit this acknowledgement, as soon as possible, and ideally by no later than the Final Entry deadline (7 July 2014). IAAF Member Federations are obliged to submit one for each entered athlete (email: [athletes-agreement@iaaf.org](mailto:athletes-agreement@iaaf.org) or fax: + 377 93 50 32 63). Any Athlete Acknowledgement and Agreement Form not received by the IAAF before the event will be collected at the time of the Accreditation procedure. The Athlete Acknowledgement and Agreement Form can be found in Appendix.

*Note: Athletes who have already submitted their Agreement on the occasion of a previous IAAF World Athletics Series Event do not need to send it again - see appropriate indication in the EES.*

## **8. COMPETITION PROCEDURES**

### **8.1 Stadium Orientation Visit for Team Leaders**

There will be a visit organised to Hayward Field Stadium on Monday 21 July at 14:30, in order for the Team Leaders to familiarise with the exact location of the main facilities (changing areas, Call Room, team seating, post event area, interview room, athletes' and officials' flows in general, etc.).

### **8.2 Technical Meeting**

The Technical Meeting will be held on Monday 21 July at 16:00 at the Global Scholars Hall in the "Great Room". Team Leaders will gather at the end of the stadium orientation visit and will be taken to the Technical Meeting.

The Technical Meeting will be chaired by the Technical Delegates and follow the standard IAAF Protocol.

Team Leaders wishing to submit questions in writing for the Technical Meeting, must use the appropriate form provided to them during the accreditation procedure. The Form must then be returned by 12:00 (noon) on Monday 21 July at the latest to the TIC or CID. No more than two representatives from each team will be allowed to attend the meeting.

### **8.3 Timetable**

The Timetable was approved by the IAAF Council in August 2013 and can be found in Appendix. A schedule for the Medal Ceremonies (MC) is included.

Information on any changes to the Timetable shall be provided at the Technical Meeting as well as through the TIC and CID.

### **8.4 Athletes' Bibs**

All athletes will receive 3 bibs, which shall coincide with the information written in the start list, as follows:

- 2 bibs with the competition number
- 1 bib with the athlete's name

Every athlete must wear two bibs during the competition, the one with the name on the front, and the other with the number on the back. In the Pole Vault and High Jump, it is possible to wear only one bib on the front or on the back. In this case it must be the bib with the name. The third bib can be placed on the bag or on the tracksuit.

The Bibs shall be distributed during the Accreditation procedure. Bibs which are not collected shall be taken to the Stadium TIC on 22 July in the morning.

The bibs for the relays (carrying the country code – e.g. "USA") shall be handed out at Call Room 2.

Bibs must be worn in accordance with IAAF Rules and must not be cut, folded or obscured in any way. Failure to comply with the Rules may result in a disqualification or sanction.

## **8.5 Athletes' Clothing**

All athletes must wear the official national uniform approved by their Delegation. IAAF Rule 143.1 recommends that the front and the back of the uniforms should have the same colour. The uniforms will be checked upon arrival at the Team Accreditation Centre. Any infringement of the Rules may result in the disqualification of the athlete. Athletes not wearing their official team uniform will be required to acquire the correct attire before they progress through the Call Room. Any advertising on clothes and bags must comply with IAAF Rules and Regulations (see latest edition on the IAAF website). Please note that the IAAF Advertising Rules and Regulations applicable for this competition specify a maximum of 30 cm<sup>2</sup> for the Manufacturer's logo on the competition wear and 40 cm<sup>2</sup> on sweatshirts, T-shirts and jackets.

The name/Logo of a national sponsor may be displayed, according to the same dimensions as set out above, instead of one of the national team or Member Federation Logo or flag on the national vest/leotard provided that such national sponsor is not a competitor of a Sponsor of the IAAF or of the event. For Oregon 2014, these are the following:

- adidas
- CANON
- MONDO
- SEIKO
- SINOPEC
- TDK

For the purpose of avoiding conflicts on site, Member Federations are strongly advised to seek approval from the IAAF.

## **8.6 Personal Belongings**

Athletes (including Combined Events) will only be permitted to take a backpack or similar sized bag with them into the field of play. Combined Events athletes may bring larger bags but they must be left in the rest area during the events.

A strict inspection shall be made on illegal and prohibited items, which athletes may have in their possession. Radios, CD/MP3 players, mobile phones, cameras, etc. shall not be permitted. Any items that do not conform to the IAAF Technical and/or Advertising Rules and Regulations will be confiscated. Confiscated items may be retrieved at the TIC after the event upon presentation of the corresponding receipt.

## **8.7 Call Room Procedures**

### **8.7.1 Call Room 1**

All competing athletes are required to report to Call Room 1 situated at the main Warm-up Area on Field 3 according to the respective reporting schedule (see below).

Athletes will be identified by their accreditation card and bib number and will undergo the routine checks:

- Checking of national uniform
- Inspection of personal belongings
- Checking of shoe spikes (number, shape and size) for compliance with IAAF Rule 143.3 and

143.4. The maximum sizes allowed are:

- All events: not more than 9 mm
- High Jump and Javelin Throw: not more than 12 mm

If they do not comply with IAAF Rules, the athletes will be asked to change them to the correct size.

After completion of these procedures, athletes will be escorted to Call Room 2. Athletes who fail to appear on time at Call Room 1 without a valid reason may be excluded from participating in this and all further events in the Championships, including Relays. Team officials are not allowed to enter the Call Room.

### **8.7.2 Call Room 2**

Call Room 2 is situated under the West Tribune and will be essentially a holding area for athletes before they are escorted onto the Field of Play. For the track events, hip numbers will be delivered here. Bibs carrying the transponder for the athletes in the Race Walk events will also be delivered here.

### **8.7.3 Reporting Times**

General times for Call Room entry and arrival at the competition site are as follows:

<b>Event</b>	<b>Entry to Call Room 1</b>	<b>Arrival at Competition Site</b>
Track Events	40 min	10 min

Pole Vault	90 min	60 min
Throwing Events	70 min	40 min
Long / Triple Jump	60 min	30 min
Relays	40 min	10 min

All times are prior to the actual starting time of the event.

However a dedicated, heat by heat and group by group, reporting schedule will be issued every day once Final Entries are confirmed and displayed at the Warm-up Area.

It will indicate the following:

- Entry to Call Room 1
- Arrival at competition site
- Start time of the event

Athletes who compete in Combined Events shall report to Call Room 1 on each of the relevant days of the competition, before the first event of each day (the reporting times above shall apply depending on the event). The athletes' control will however take place in the Rest Room before the start of each event.

## **8.8 Other specific procedures**

### **8.8.1 Starters Commands**

The starter's commands will be given in English.

### **8.8.2 Field Event Trials**

Qualification procedures and conduct of the events will be according to the IAAF Rules.

### **8.8.3 Coaching Zones**

Appropriate seating in the Tribunes will be reserved for the Field Event Coaches. Access will be possible with the special pass to be distributed through the TIC once the Start Lists are published.

## **8.9 Timing and Measurement**

Official timing and measurement will be provided by SEIKO. Transponder timing will be used for the race walks.

Video Distance Measurement (VDM) will be used as the official measurement system to determine the results in the horizontal jumps.

## **8.10 Post Competition Procedures**

All athletes will leave the field of play via the Television Mixed Zone through a gate situated just after the finish line (at the foot of the West Tribune). After passing through the Television Mixed Zone, athletes move to the Press Mixed Zone situated on Field 2.

In the Mixed Zone, the Media may conduct short interviews. Please note that the first three athletes in each final may also be required to attend the formal interview.

Athletes will finally reach the Post Event Area also located on Field 2 where they will be able to recover and collect their clothing. Here athletes will also be notified for eventual doping control and be informed of medal ceremony arrangements. From here they can then return to the Warm-up Area, to the Athletes' Village or go to the team seats.

Team Officials will be able to contact their athletes immediately after the event on Field 2.

## **8.11 Medal Ceremonies**

The first three athletes in each individual event and the first three teams in each relay race will be presented with a gold, silver and bronze medal. The medal presentations will usually take place before the doping control procedures. LOC staff will be responsible to gather the first three athletes or relay teams and escort them to the ceremony waiting area where they will prepare for the ceremony. When a delegation competes in relay semi-finals and finals with more than four athletes, only the four athletes in the final will be awarded medals during the official ceremony. The other athletes will receive their medals later through the TIC. The athletes must wear their delegation's official uniform at Medal Ceremonies. During the playing of the anthem and the raising of the flags, they shall face the flags and conduct themselves in a dignified manner at all times.

Where practical, the Medal Ceremonies will be held on the same day as the event. For those held on the following day, athletes shall report to the TIC no later than 30 minutes before the scheduled ceremony time. See medal ceremonies schedule under Timetable in Appendix.

The medal ceremonies for the men's and women's 4x400 metres relays shall take place during the Final Party

## **8.12 Protests and Appeals**

Protests and Appeals shall be handled according to IAAF Rule 146 by the TIC at the Stadium.

## **9. MEDICAL SERVICES**

### **9.1 General Plan**

During the event there will be medical services available at selected locations and the venues related to the Championships.

Medical staff will be composed by doctors and physiotherapists under the supervision of the IAAF Medical Delegate. There will be a 24-hour medical service on call including ambulance. All the Medical Centres and Medical Teams will have direct communication by mobile phones and portable radio transmitters and all the doctors and nurses will be easy to identify by their uniforms.

According to IAAF medical guidelines, all athletes and officials must have health insurance. This insurance should cover the costs of specialised medical help (in case of need).

### **9.2 Emergency Contact Numbers**

In case of emergency please contact one of the Service Centres, the Competition Information Desk or the closest Medical Centre (see below). Information about the Emergency Contact Numbers will be distributed upon arrival.

### **9.3 Location of Medical Centres at the Different Venues**

The primary medical centre that will be available for the athletes will be located on Field 4 at Hayward Field (see Plans Appendix). This location will be staffed by doctors and physiotherapists. Medical staff will be on site at the Training Venue at Lane Community College to respond to medical emergencies there. However, athletes wishing to receive treatment will need to do so at the primary medical centre at Hayward Field.

### **9.4 Procedures in case of Injury or Illness**

Team members who suffer from an injury or illness must report to the closest medical centre (or contact the Emergency Number – see above) in order to benefit from the LOC medical services. In case of athletes' injury or illness preventing them from competing, a certificate must be requested at the medical centre and issued by the appointed Medical Delegate. The certificate must be presented to the TIC in case of withdrawal from the event.

### **9.5 Physiotherapy and Massage Services offered by the LOC**

These services will be provided at the primary medical centre located on Field 4 at Hayward Field (see Plans Appendix).

### **9.6 Team Physiotherapy Spaces**

At the Post Event Area, all athletes selected for Doping Control will be informed. Following post-event protocols which may include the medal ceremony or press interview, athletes will be escorted to the Doping Control Centre. Drinks will be provided for those athletes requiring it, and athletes should drink only those beverages from sealed bottles provided by the LOC.

Athletes have the right to be accompanied by a team official who will be granted proper access to the doping control centre with a special pass only if required.

### **10.3 Voluntary Doping Control**

Athletes who were not chosen for Doping Control may voluntarily submit themselves for testing, for example in case of National Record. In this case athletes, or an official from their team, must complete and sign the “IAAF Doping Control Test” form which is available at the TIC. The cost of such test is at the athlete’s National Federation charge and will be debited to the National Federation’s account with the IAAF.

### **10.4 Therapeutic Use Exemption (TUE)**

If an athlete has to take any medication included in the WADA Prohibited List 2014, a Therapeutic Use Exemption (TUE) is requested. The TUE has to be issued by the IAAF prior to the beginning of the event. During the WJC only “urgent” TUE’s will be dealt with. Under no circumstances a TUE for a chronic pathology will be issued.

### **10.5 IAAF Outreach Programme**

IAAF will continue to promote a drugs-free sport through its Outreach Programme. A tent will be set up at the Warm-up Area offering athletes and officials the opportunity to familiarise with the IAAF’s anti-doping policies and initiatives. More details will be provided on site.

## **11. DEPARTURES**
